hansgrohe: modern design and refreshingly high-quality products

Showering perfection since 1901

With constant emphasis on the highest standards, our visionary concepts help make life in the bathroom easier, better and more beautiful. Our determination to enhance the beauty of water and every aspect of your experience knows no bounds. Innovation combined with brilliantly simple, ultra-reliable technology ensures we create timeless and sophisticated products. All over the world, hansgrohe is synonymous with high-quality products of exceptional design, ease of use and intelligent functions.

Engineered in Germany

Since 1901, 'Engineered in Germany' has been a recipe for success for Hansgrohe as a tap and shower manufacturer. Over 120 years since the company's foundation, this level of German expertise is a guarantee of excellence. Every Hansgrohe manufacturing facility works to the highest standards through continuous quality management to ensure top performing products and service.

Our name is your guarantee

Always creating the highest quality products defines our approach to modern design, manufacturing and performance. 'Made by Hansgrohe' is your assurance of quality, backed by a five-year guarantee for repair, replacement or refund if ever any of our products fail to fulfil those high expectations that attracted you to the Hansgrohe name.

All products carry a minimum 5 year manufacturing

Spare parts held for 15 years after product discontinuation.

6 | Quality that you can count on | 7

Hansgrohe: quality that you can count on

At Hansgrohe we create top quality products that deliver in both form and function, so you can enjoy them for a long time to come.

We apply rigorous tests and stringent guidelines in our development and production, and that's validated by the independent testing institutes that attest to our high quality workmanship.

Quality is infused into every hansgrohe product

Before our products are ready for production, they have to prove themselves thousands of times in test cycles, stress tests, and field tests. Highly qualified employees see to meticulous quality assurance and quality management at every point.

Manufacturing quality

Hansgrohe relies on top-quality materials, high-tech design and precision work. But Hansgrohe understands "quality workmanship" to mean more than just the materials. It's the basis of our four pillars of quality: product, design, manufacturing and service.

All products carry a minimum 5 year manufacturing guarantee.

Spare parts held for 15 years after product discontinuation.

We don't just keep up with technology - we pioneer it

Our innovative technologies are all about performance. To enhance the beauty of water and every aspect of your enjoyment.

From the big picture to the smallest detail, we welcome every opportunity to enhance your showering experience by integrating technical innovation wherever and whenever it will function best. The icons are here to introduce you to the latest hansgrohe advances. They are your guide to discovering just how much hansgrohe can enhance your comfort and enjoyment in the bathroom.

Less water, less energy, more enjoyment

EcoSmart technology reduces your water consumption by up to 60% without compromising on your showering performance. Thanks to a sophisticated flow limiter, special jets and integrated aerator, you not only save precious water but also the energy needed to heat it. That's good news for the planet and good news for your wallet too.

Comfort and convenience at your fingertips

One touch changes the waterflow. The shower or spray type can be switched on and off or changed with a simple click.

Limescale simply rubbed off in an instant

Remove limescale deposits simply by rubbing the flexible silicone nozzles.

More volume, more pleasure

Combines water with a generous amount of air. For a soft, splash-free water spray and rich, full shower drops.

Big performance, great experience

Evenly distributes the water over the large spray face to envelope the whole body.

Guaranteed comfort and convenience

Greater freedom of movement. The higher the mixer, the greater the space between spout and basin.

The hidden magic behind our showers

The ultra-reliable, flexible device that is behind your shower's superb performance.

Experience showering like never before

Invigorating. Indulgent. Relaxing. Energising. Everyone has their own idea of the most rewarding showering experience. Throughout this brochure the Spray Pattern icons shown will help navigate your choice of hansgrohe shower that delivers the patterns of your choice from a brisk burst of freshness to softly soothing massage.

Revolutionise your daily shower with PowderRain®

Enjoy a new dimension in showering with hansgrohe PowderRain®. The fine droplets inspired by the rainforest provide a deeply relaxing showering experience. Nine out of ten consumers said they wouldn't return to their old hand showers after

A unique shower experience thanks to the soft caress of micro droplets.

Ideal for rinsing out shampoo quickly and thoroughly.

Air-enriched drops from a large, wide jet to wash your cares away.

An intensive water spray that activates and refreshes.

The revitalising spray lives up to its name.

The gentle spray gently wraps itself around the body.

Strong, pulsating massage spray.

The concentrated spray massages away the exertions of the day.

Create a shower as individual as you are

Here's how to choose the right hansgrohe products for the kind of space you want to create. After all, your shower should be as individual as you are. Simply select and identify the shower configuration you need to achieve the style and set-up you prefer together with the quality performance and control you demand.

Concealed valve

Space-saving or sleekly minimalistic, a concealed thermostatic shower valve hidden behind your tiling or wet wall fulfils the desire for a streamlined appearance by masking unattractive pipe work or fittings.

Available in two beautiful shapes

Square (with Select)

Square

Overhead shower

Overhead shower with hand shower on slide rail

Overhead shower with hand shower holder

Hand shower on slide rail

Bath fill with Exafill and hand shower on slide rail

Exposed valve

Where solid brick walls don't allow a concealed valve or there is a desire to focus more on practicality and function, an exposed valve is often the preferred choice for traditional or classically styled bathrooms.

Hand shower on slide rail

Showerpipe

Bath/shower valve with hand shower on slide rail

NEW

Matt Black

Add a certain je ne sais quoi simply by going back to basics. The minimalism of matt black creates a bold contrast with light walls and accessories, whilst creating a high-end look.

Brushed Bronze

This gives you a rare opportunity to introduce an unusual harmony expressed in gentle natural shades and nuances. Its warm character shows very subtle tones within its brushed surface finish. And it can also be perfectly paired with any natural shades.
